

2011 Philadelphia Shell Show

Accommodations

For out-of-towners, the club recommends the Windsor Suites Hotel (www.windsorhotel.com), which is within short walking distance of the show venue, the Academy of Natural Sciences. The Windsor offers a special Shell Show rate of just \$129 (plus tax) per night for a single or double self-catering studio. For reservations, contact the hotel directly and ask for the Shell Show rate. The rate applies from September 29 to October 3.

For other hotel options, we recommend using Expedia (www.expedia.com), Travelocity (www.travelocity.com) or another web-based consolidator.

Hotels near Philadelphia International Airport tend to be more economical. Some run shuttles into Center City, and there are trains from the airport itself to Suburban Station, three blocks from the Academy.
